Joining the Club & How to pay your membership fees:

In all cases, please send an email to membership@wycombephoenix.org - to confirm your joining decision in writing. We also need a signed copy of your registration form if you have not sent us a copy already.

You/your child will be registered with England Athletics. England Athletics will email our invoice to you as they are collecting membership fees on our behalf. Please note that the invoice email will therefore come from an England Athletics email address: noreply@englandathletics.org. For your information, their approved payment partner is PAYZIP, enabling you to make membership payments securely online. All major debit or credit cards accepted.

On receipt of the invoice from England Athletics, please check the membership category & fees being requested. If everything is correct, click the payment link within the email and follow all on-screen payment instructions to pay securely by card. Once your payment is completed on PAYZIP, the club will be notified automatically, and your membership will be active at that point up to the end of the membership year (31st March).
